

My Academy team at Cognizant want to create a dashboard containing the details of ongoing and completed cohorts. A react application is created which displays the detail of the cohorts using react component. You are assigned the task of styling these react components.

```
1 // src/App.js
2
3 import React from 'react';
4 import CohortDetails from './components/CohortDetails';
5
6 function App() {
7   return (
8     <div>
9       <CohortDetails
10         name="React Bootcamp"
11         status="ongoing"
12         startDate="2025-07-01"
13         endDate="2025-07-30"
14       />
15       <CohortDetails
16         name="Java Spring Training"
17         status="completed"
18         startDate="2025-05-01"
19         endDate="2025-06-01"
20       />
21     </div>
22   );
23 }
24
25 export default App;
26
```

React Bootcamp

Status: ongoing  
Start Date: 2025-07-01  
End Date: 2025-07-30

Java Spring Training

Status: completed  
Start Date: 2025-05-01  
End Date: 2025-06-01
